**HANDS ON TRAINING (Online Mode) by resource persons**

## Faculty Development Program On

### Role of ICT for successful implementation of NEP - 2020

2<sup>nd</sup> January, 2024 – 9<sup>th</sup> January, 2024

*Organized by*

Government Degree College, Teliamura,  
Tripura

*Sponsored by*

EICT Academy, IIT Roorkee

### COURSE OBJECTIVE

NEP 2020, introduced by the Government of India, aims to address the issues and challenges related to education, including limited resources, lack of infrastructure, and a dearth of qualified teachers and focuses to provide equal opportunities for quality education to students across the country. One of the key strategies emphasized in NEP 2020 is the integration of ICT in educational institutions and to enhance the use of ICT in providing education to the students. This FDP will be helpful for enriching faculties and researchers to expertise themselves in sharing of knowledge with the help of using innovative technology and methods aiming to fulfill the aim of NEP 2020.

This program will deliver the advanced concepts relevant to theory and applications of ICT in the teaching learning process keeping in view the implementation status of NEP 2020 and the utilization of ICT. This FDP will consist of lecture sessions and lab sessions (in online mode) delivered by experts from reputed institutes of National importance and other HEI. By addressing the challenges and effectively leveraging ICT tools, the participants of this FDP can bring about a significant positive transformation in education, ultimately empowering students with knowledge and skills for their bright future. This program will also be very helpful in fostering more inclusive teaching and learning environment for improving overall efficiency of Institution.

### HOW TO APPLY?

- ❖ Online Registration link for this FDP is: <https://forms.gle/E1LJ3aibw63E33X69> and the link will be open up to 31<sup>st</sup> December, 2023.
- ❖ Maximum intake capacity of participants is 70 nos.  
**Registration fee Rs 500/-**  
**(Registered Participant will get certificate issued from IIT Roorkee after successful completion of assignment of FDP).**

### WHO CAN APPLY?

- ❖ Faculty Members/ Teaching Assistants/ Students/ Research Scholars from academics and industries recognized by AICTE/ UGC/ Equivalent Central and State Government personnel can apply.

### PI & COORDINATOR

Prof. Sanjeev Manhas, IIT Roorkee  
Dr. Mihir Pal, Principal, GDC, Teliamura
